

**Escherichia coli**  
**E. coli**

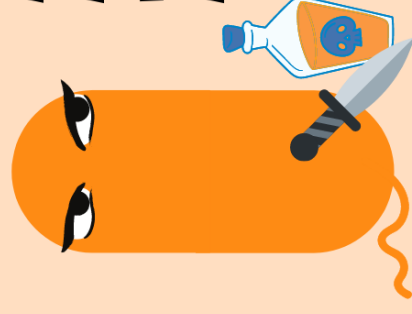

*I help you  
absorb iron!*

**Lactobacillus**  
**acidophilus**

*I help you  
break down  
milk!*

**Listeria**  
**monocytogenes**

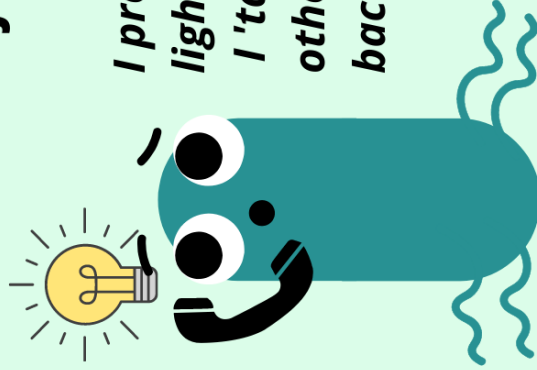

*I cause  
listeriosis,  
which can  
be fatal.*

**Streptococcus**  
**mutans**

*I help build plaque  
on your teeth.*

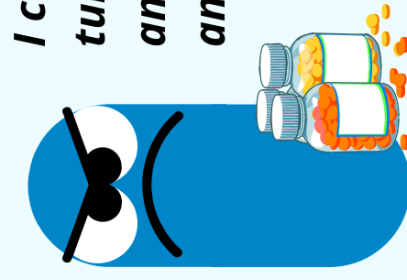

**Aliivibrio fischeri**

*I produce  
light when  
I 'talk' to  
other  
bacteria.*

**Mycobacterium**  
**tuberculosis**

*I cause  
tuberculosis  
and can resist  
antibiotics.*
